Sultan of Marellbar 1975286 and his dam

*A Good Sire Must Have an  
Outstanding Mother*

(For Reference)

## SULTAN of MARELLBAR—

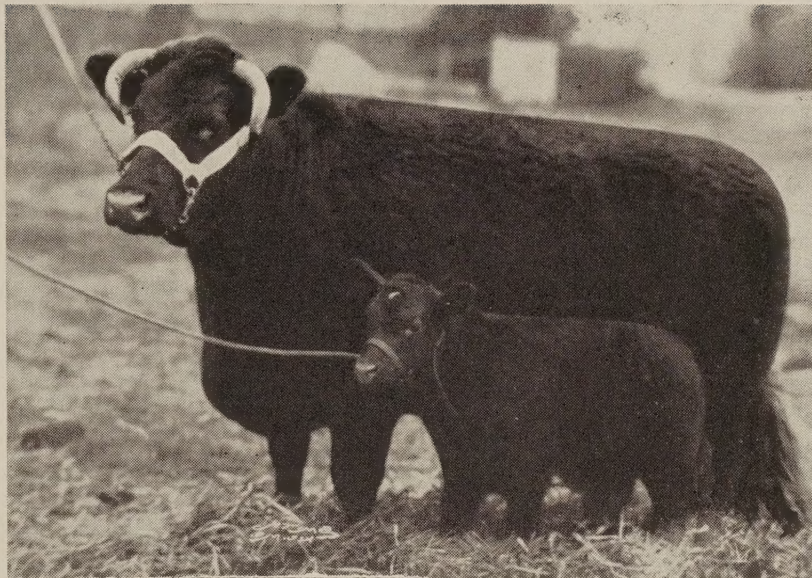

Is one of the best productions of Marellbar Farms. He is out of one of our grand matrons, Lady Gwendoline and was by the International grand champion, Sultan Browndale. We sold him as a calf to Countryman Stock Farm for \$1000.00. He was exhibited only once when he won second prize in a class of 19 summer yearlings at the International Stock Show.

Later we leased Sultan of Marellbar from the Countrymans to use on some of the daughters of our grand herd bull, Klaymor Cap-A-Pie. Lots 19 and 24 in this catalog have, at foot, red bull calves by Sultan of Marellbar. These calves will be sold with their dams and will develop into impressive herd headers.

(For Reference)  
**MARELLBAR GOLD  
STANDARD (Imp. in  
dam)—**

Has for his dam Cluny Lady Augusta 18th (Imp.), one of the best individuals as well as one of the best producing cows in America. Her calf that is pictured with her is Marellbar Lady Augusta 19th, winner of first prize at the 1941 International Stock Show. His sire is the 2000 guinea, Perth Reserve Champion, Pittodrie Gold Standard.

We used Marellbar Gold Standard before selling him to head the good herd of Dick Metz, Wilburton, Oklahoma. The heifers, lots 7 and 12 in this catalog are sired by him and the young cow, lot 20, sells with a red heifer calf that he sired.

## *Synonymous With Quality*

The name "MARELLBAR" has become synonymous with quality in Shorthorns. Every animal that has been admitted to the Marellbar herd is there because it conforms to the highest standard of merit in form, quality and breed character and has a pedigree that denotes its ability to transmit its features to its offspring. It is from such cattle only that the best of Shorthorns can be produced.

Marellbar Shorthorns have found their way into the herds of many of the most renowned breeders in the United States and other countries and have made good. Steer calves from Marellbar Farms have been sold to 4-H Club boys who have fitted and developed them into grand champions at some of the largest shows in the United States.

The Shorthorns that are to be sold in this sale are a credit to the great Marellbar herd. Those that are still within the age limits are show specimens and can be exhibited with success. Those that have passed the show ring age are tried and proven matrons that have produced and will continue to produce calves that are second to none. One cannot make a mistake by buying in this sale.—Will Johnson of The Shorthorn World.

## *We Invite You . . .*

On June 1st at 6:30 P. M., will occur the first sale by auction of Shorthorns at Marellbar Farms. On that day and on every other day of the year, breeders of Shorthorns and other persons interested in the improvement of live stock will be welcome at the farms and will be given full opportunity to study our herd and our methods of herd management and care.

We have done our best to assemble a herd of fine breeding Shorthorns. To get them we have topped some of the best sales that have been made by the most noted breeders in America. We have made a few importations of the best Shorthorns that could be obtained in Scotland, notably from the famous herd at Cluny Castle.

We have shown cattle with considerable success at the International Stock Show and we have sold a few cattle at national auctions. We are pleased with the reception that these have received from prominent breeders. We are just as much pleased by the fact that 4-H club boys have won highest honors at leading shows with steers that we have produced.

We shall welcome the breeders with small herds and the 4-H and F. F. A. Club members just as heartily as those who conduct the largest breeding establishments in the Country. Come to see and to study our herds and our methods. If you buy, we are sure that you will be pleased with your purchases and that they will be profitable for you.

## KLAYMOR CAP-A-PIE—

The proof of a sire is the type and quality of his calves, both bulls and females. One need not expect outstanding calves unless the sire is a fine individual backed up by a strong pedigree. Klaymor Cap-A-Pie has the individuality and the pedigree. Now he has arrived as a sire. At the recent International Stock Show his calves were admired as much as those by any other sire that was represented. A bull calf won second prize in a class of seventeen and a heifer won first prize in a class of nineteen. Showing for pair-of-calves their strongest competitors were respectively a first and third and two seconds. The calves by Klaymor Cap-A-Pie are uniformly good headed, of most desirable type, smooth, level and well balanced and are of the thick fleshed, early maturing kind. The use of one of his sons for a herd sire and his daughters for foundation stock will assure success in the Shorthorn business.

## MARELLBAR WAVERLEY

Is a superb herd bull prospect. Every breeder needs a white bull at some stage of his operations. When he does need one he should not be satisfied with any but the best. Marellbar Waverley won second prize as a junior calf at the 1941 International Stock Show. This year he can win first prize as a junior yearling. He improves every day that he lives. His dark roan dam, Cluny Augusta 57th (Imp.), by the world renowned Calrossie Command, is one of our best cows. She has produced two grand red heifers one of which is a full sister to this great young bull.

## MARELLBAR COMMANDER—

Was imported in dam and is one of the best young bulls for sale in America today. He has a grand head, is thick, smooth, wide, deep and full and stands on good, strong, short legs. The breeding of his sire will be recognized by all as tops. His dam's sire Pittodrie Gold Standard was a Perth reserve champion and was sold for 2000 guineas and is out of a cow by Collynie Royal Leader. His granddam's sire was by the great Naemoor Jasper. Here is the best of old country breeding combined with a bull that all will admire. Cluny Victoria 2d is regarded as the best cow in Cluny Castle herd and is also the dam of Cluny Brave Command the 1938 Perth Champion that sold for 3500 guineas.

Is a real herd bull prospect and a summer yearling show prospect as well. He is a very dark red with a grand head and he is especially smooth, low-set, level and well balanced. He has good deep quarters, is short coupled and in fact is right any way you look at him. His dam is a grand, thick, low-set cow by the champion Calrossie Lord Rothes (Imp.) and his granddam was sired by the rich dark roan Collynie Golden Ring that was by the same sire as the famous Collynie Royal Leader. This good bull should be one of the tops of the year.

Her dam was the top female in the 1939 Edellyn auction selling at \$900.00 as a young heifer, and is a daughter of Calrossie Broadhooks Bounty, a sire of Perth first prize winners and one of the great sons of the famous Perth champion, Calrossie Control, that sired Calrossie Mercury (Imp.). Her granddam is by one of the Calrossie herd bulls, Calrossie Grand Parade, also a sire of Perth winners. Her sire is our noted Cap-A-Pie by Collynie Royal Barrage (Imp.). ## MARELLBAR GARDENIA 3d—

Is a real prospect as a show heifer for the senior calf class this year. Her sire is a good imported-in-dam bull by the 2000 guinea, Perth reserve champion, Pittodrie Gold Standard and out of our noted cow, Cluny Lady Augusta 18th that produced our first prize heifer calf at the recent International Stock Show. Her dam is one of our best red cows and is out of the dam of the noted Countryman sire, Sultan of Marellbar. You cannot help liking this calf.

## MARELLBAR GWENDOLINE 12th—

Is of the same family as Marellbar Gardenia 3d that is Lot 7 in this catalog. No family has produced better cattle for us than these Gwendolines with the great Brown-dale Hero in their pedigrees. This fine red daughter of Cap-A-Pie is out of the best red cow of that family and she was a full sister of the dam of the \$1,000.00 Sultan of Marellbar. See her dam's picture, Lot 22 in this catalog. You cannot go wrong in buying this kind of a heifer.

## MARELLBAR LUSTRE QUEEN—

Is as good a heifer as ever we have produced. She is a grand prospect to win the summer yearling class at this year's shows and she will become a great cow to put into a herd for foundation purposes after a successful show season or two. Few herds can show you as good a one. Her dam Browndale Lustre is as good a red cow as anyone owns.

If you are looking for the best in her age class, buy this heifer in this sale at your own price. She is positive proof that Klaymor Cap-A-Pie is a great sire.

She comes from one of the best branches of the popular Clipper family.

## MARELLBAR EVELYN—

Is a grand, low-set, thick, young cow that has produced two fine, red heifer calves and that will calve again in June to the service of Klaymor Cap-A-Pie. You will like this heifer and her pedigree cannot be improved upon. Edel-lyn Emigrant, imported in dam, sired many choice cattle for us. Calrossie Goldfinder is a son of the famous Collynie Royal Leader and Calrossie Lord Rothes was a junior champion at the International Stock Show. Both of these bulls were prominent factors in the success of Edel-lyn's great herd. Do not overlook this good cow.
